GENERAL TERMS

EXCLUSIVE CONTRACT TERMS

These Terms and Conditions shall be deemed incorporated as a part of every contract to purchase goods from Company. By entering into a purchase contract with Company and accepting delivery of the goods, Purchaser agrees that these Terms and Conditions are the sole and exclusive statement of all such terms and conditions, that the contract is limited to these terms and conditions, and that any different or additional terms and conditions proposed by Purchaser are objected to and shall not become a part of the contract unless expressly accepted by Company in writing.

AUTHORIZED DEALERS

Possession of these terms and conditions, product information and/or price list does not imply the right to purchase products illustrated and priced therein. Sales are confined to accounts with credit approval only. A minimum of 30 percent down payment is required on all orders until credit is established.

APPLICABLE LAW

The Contract shall be governed by the substantive laws of the State of Ohio. The sole and exclusive jurisdiction and venue for the enforcement or any rights or obligations relating to the contract or the goods shall be in the Fulton County, Ohio Court of Common Pleas or the United States District Court for the Northern District of Ohio, and the parties consent to the jurisdiction of these courts as a part of this transaction. Company shall be entitled to recover its reasonable attorney's fees, costs and expenses in connection with any action taken by Company to enforce the contract (including these Terms and Conditions).

GOVERNMENT REGULATIONS

Customer shall comply with all applicable governmental laws, codes, and regulations, including building and fire codes applicable to this purchase and including design, type of material and installation arrangements thereof.

PRICES & PAYMENT TERMS

PRICES

Published prices are list, FOB destination, per zone destination. Prices do not account for special delivery situations including the following, which are the responsibility of Purchaser:

- Dedicated delivery appointments
- Lift gate
- Multiple drops on site per shipment
- Multiple shipments per order (that could be accommodated by one delivery)
- Charges for cartons, packaging, and crating, beyond the normal Company shipping methods
- Storage or insurance claims
- Sales and other taxes
- Local delivery, uncrating, and installation (if applicable)

Prices on Order Acknowledgements are net. Company reserves the right to change prices prior to order acknowledgement without notice. Company reserves the right to increase prices by one-half percent per month, or any part thereof, if Purchaser delays delivery of the furniture in excess of 12 weeks beyond the approximate delivery time specified on the original order.

PERFORMANCE BONDS

If a bond is required, the cost shall be 1% of the total Contract. If a bond is not specifically listed on the Contract it is not included. If a bond is purchased, the bond will only cover substantial completion of the project plus one year of the warranty period.

TAXES

All sales are subject to sales tax unless a valid sales tax exemption certificate or resale certificate for the ship-to state accompanies the order.

INVOICING

Product will be invoiced at the time of shipment, or as designated by the Order Acknowledgment. If a partial order is shipped and a backorder is created, Purchaser will be invoiced for the portion that shipped.

TERMS OF PAYMENT, SECURITY INTEREST AND LIEN RIGHTS

Credit will be established based upon Company's determination of credit worthiness. A deposit or prepayment may be required on certain accounts after credit review. Credit terms are 30 days net from date of invoice and/or as designated by the Order Acknowledgement. Company may cancel or change credit terms at its discretion and may request advance payment at any time. No order will be released for production without a credit approval from the Credit Department. Company may at its option, and without notice, raise or allow charges in excess of any credit limit granted. The purchaser understands and agrees they (the Purchaser) are responsible for all charges on the account. All payments due to Company shall be paid without any set-off or claim.

Purchaser agrees to pay a service charge of 1.5 percent per month or as allowed by law on all past due accounts. A past due account is an account that remains unpaid for more than 30 days. Until such time that an account and/or an order is paid in full to Company, Company shall retain a security interest in and lien on all materials, merchandise, furnishings, and/or goods manufactured, provided, delivered or otherwise on said account and/or order. Company reserves and may exercise any and all rights and remedies with respect to said materials, merchandise, furnishings, and/or goods against the Purchaser and/or any individual or entity in possession of or claiming an interest in said materials, merchandise, furnishings and/or goods, including but not limited to demanding assembly of the goods at the direction of Company, re-taking possession and selling and applying proceeds of any sale toward the account, and/or filing suit. All charges are payable according to these terms and conditions unless otherwise prearranged and agreed to in writing by Company.

Terms and Conditions

TITLE & RISK

Title to all Goods shall pass from Company to Purchaser upon Company's receipt of payment in full under this Contract or any change thereof.

Risk of loss or damage to the Goods becomes the responsibility of Purchaser upon delivery. Unless otherwise specified in writing, Company will determine the method of shipment and carrier. If products are shipped via Purchaser's choice of carrier, Company is not responsible for damage in shipment.

Purchaser will insure the Goods against all insurable risks in the name of Purchaser and also in the name of Sauder Manufacturing Co. as the unpaid vendor for their full insurable value.

ORDERING & LEAD TIME

ORDERING

A signed purchase order or contract received via mail, fax or email is required before an order is processed. In addition, credit applications, credit references and/or advance payments may be required for newly established accounts. Orders are not scheduled in production, nor materials purchased, until all details are received.

ORDER ACKNOWLEDGEMENT

Orders are not binding until the order acknowledgement is delivered. Any error or discrepancy on the Order Acknowledgement must be reported to Company in writing within 3 working days from the receipt of the Order Acknowledgement. All modifications to the Order Acknowledgement must be reconfirmed and signed by Company. Cashing a down payment check does not constitute acceptance.

CHANGE ORDERS

The order as shown on the Order Acknowledgement can be modified only by a written communication or reconfirmation signed by Company and Purchaser.

Company may, at its discretion, accept reasonable change orders with the following conditions:

- The request for change must be submitted in writing and received before order specific parts have been purchased and/or the manufacturing process has begun.
- Changes may be subject to additional charges for material, labor, restocking, and administrative costs.
- Changes may result in an extended delivery date.

CANCELLATIONS

Any deposit made with respect to the order is non-refundable. The Company reserves the right to cancel any order, with notice to purchaser, due to breach of obligation or contract. Additionally, if an order is cancelled after order specific materials have been purchased and/or production has started, the customer will be responsible for the cost associated with those materials or production. Any Customer's Own Material (COM) supplied will be returned "as-is", this applies to any fabric that has been cut, wood parts with a finish applied, and all laminates. A cancellation or restocking charge of 1/3 of the net sale is applicable on orders cancelled.

LEAD TIME

Lead times will vary based on specifications chosen and available manufacturing capability. Consult your authorized sales representative or the home office when placing your order to determine estimated ship date.

CUSTOM PRODUCTS AND MATERIALS

All nonstandard designs and materials are subject to a surcharge; contact Company for approval and pricing. The use of nonstandard designs and/or materials may cause extended delivery times and reduced warranty coverage.

- Within our standard offering, an upcharge may be applied if a premium pattern or finish is selected. This may also cause extended lead times.
- Standard laminates other than Formica™, Nevamar™, Pionite™, and WilsonArt™ result in a 5% list up-charge per item. Premium patterns and finishes will require an additional upcharge and extended lead times.

CUSTOMER'S OWN MATERIAL (COM)

Please contact Company on all COM fabrics. A sample of the COM fabric is required to be submitted to Company for approval and yardage estimate prior to placing an order. The sample should be large enough to indicate a repeat if applicable.

Yardage requirements will be calculated based on a variety of factors including roll width, pattern matching and direction. If a fabric is directional, it will be applied vertically unless specific instructions are given to the contrary. If a horizontal application is desired, please inform Company as additional yardage or special production techniques may be required. At the purchaser's request, the Company may, in its discretion, for non-Company program fabrics handle the purchase of the COM fabric for a charge of 20 percent of the fabric list price.

Company reserves the right of preliminary approval for all COM prior to order acceptance. Even after such preliminary approval, Company reserves the right to reject COM if, upon physical inspection of the material, it proves unacceptable for use on Company products. When COM is accepted, Company assumes no responsibility for appearance, durability, color fastness, or any other quality after it is upholstered on a Company product.

Orders with COM are not scheduled into production until all materials are received and inspected. *Refer to the order checklist to ensure the proper handling of COM fabrics.* If partial shipment entry is required, indicate on purchase order, or forward orders with standard products and COM products on separate purchase orders. When products are shipped via Purchaser's choice of carrier, Company is not responsible for damage in shipment. LASER CUT AND LASER CUT WITH COLOR FILL

The Company offers a unique and distinctive way to personalize and identify a facility's chairs with a laser cut of its logo or seal on the back and/or front of any all-wood chair or back of a wood back chair with upholstered front. Simply provide your Company sales representative with the desired location, a digital file (TIF, GIF or JPG) and the finish size (standard sizes are 2.5" x 4.5" or 4.25" diameter; non-standard sizes are available at an additional charge).

RENEWABLE

Materials & Finishes

GENERAL INFORMATION

The Company furniture incorporates a variety of materials and finishes in our product offering. Not all materials and finishes are available on all products. The following pages provide information on the availability of standard materials and finishes, as well as custom options that are available. Fabric information is not included in this section.

Due to natural variations beyond Company's control, all materials including but not limited to fabric, wood or steel are sold subject to variations or irregularities of color, grain and texture. Because of these variations, Company's samples may not exactly match that of the finished product.

NONSTANDARD MATERIALS

All nonstandard materials are subject to a surcharge. Contact the home office for approval and pricing. The use of nonstandard materials may cause extended delivery times and reduced warranty coverage.

CUSTOM WOOD FINISHES

Contact the home office for finish match availability by product. Purchaser provides a sample for the color match and must approve the custom finish match before the order can be scheduled for production. Company standard finishes were updated in 2013, therefore the Custom Match Charge also applies when matching previously standard finishes.

It is recommended that furniture being ordered for placement near existing products have a custom finish match. Color variances may occur between orders without a custom finish match. Custom finish matches for any standard Company finish are available at no additional charge.

WOOD FINISHES

Prices listed are based on the standard Company wood finishes listed below. Wood finish names describe the color only, not the wood species. Stains are applied to the specific product's standard wood type such as maple, beech, oak. The standard species of each product is listed next to the product throughout the pricing pages. Not all finish colors are available on all products. Some finishes will require a minimum quantity when ordered on certain casegood products.
